MARKETS

HOME

We always had a strong focus on roto-moulded indoor toys and kids furniture and now we have our range with play tents and wooden indoor products. For adults and children, we also have the Cougar table games.

GARDEN

They say the heart is where the home is, but ours is in the garden. We just love outdoor fun and play and offer the widest range of playhouses, swings, play sets and sports games. Recently we expanded our range with Garden Furniture.

PETS

It started as a joke, designing a pet house that looked like one of our famous crooked houses. Now we offer a full range of pet houses, ranging from chicken coops & dog houses to rabbit hutches.

Ask our sales department for the various option.

DIY

Our products are perfectly suited for the DIY market as standard product, but we also offer sourcing services, customized product and product designs and private labelling options.

HOME

Table games

With our brand Cougar we offer several football, air hockey and pool tables. We also offer tables that combine games such as our multi-table that can be used for both pool as air hockey.

Toys

We started with indoor toys through a close partnership with US based brand Step2. Now we're offering the entire range of play kitchens, watertables, art desks, workshops and more. We also offer cool plastic Step2 branded furniture such as dressers and race-beds.

Playtents

In our assortment we have different Teepee tents available for drop shipments and stock orders.

Sports

Outdoor fun also includes sports games and activity. With our range of fun outdoor sports games of tennis nets and multi-sports games we help provide that.

Montessori toys

We love to combine fun and play time with functional design and educational purpose. With our Montessori toys we provide this combination for children to play and learn.

GARDEN

Playhouses

Our complete assortment includes over 200 different playhouses and climbers; from little classic playhouses for toddlers to big climbers for kids up to 12 years old.

Play sets and more

We offer over 100 play sets for kids to play with in the backyard. Besides, we offer sandboxes, sand and water tables, picnic tables, storage benches and ride-ons.

Swing sets

Our swing set portfolio includes over 100 different swing sets including baby, single, double and wall-mount swings both stand-alone or in combination with playhouses or sport games.

Furniture

With our assortment of benches, picnic tables, bistro sets, lounge sets and dining sets and umbrellas we have a wide offer for garden furniture.

PETS

Playful pet houses

Pragma started with the design and manufacturing of wooden playhouses and is now moving towards the pets houses with nice colourful pet homes.

Partnerships

Entering into this market we are looking for partners who are looking to incorporate some fun and playful pet houses into their assortment.

Dog Houses, Chicken Coops, Rabbit Hutches

The first pet house was a dog house with isolated floors based on the design of our unique crooked playhouses and has been a huge success. Nowadays we offer a full range of fun & colourful pet houses, only available through direct shipments from our facilities in China to your central warehouse.

DIY

Products

Our wide range of products include playhouses, climbing towers, play sets, swings, pet houses, sport games, table games and toys with a total assortment of over 900 products.

Sourcing

We are your perfect sourcing partner when it comes to products for home, garden or pets. Options include private labelling and stock support.

DIT - Doing It Together

You don't have to do it yourself as we offer drop shipments with customised packing slips and fast delivery times from one of our localized warehouse in Europe, N-America and Asia.

DIY made easy

Even your customers don't have to do it all by themselves as all our products are easy to assemble; our playhouses have ready-to-go pre-assembled panels to get kids playing in no time.

LAKESIDE PLAYHOUSE 595€

Article number A701.001.00

Do your children love to play outside? The playhouse Lakeside by AXI from the ecological Valley Green series, offers children the opportunity to let their imagination run free. Lakeside is a fun and simple playhouse with a neutral wood look, which makes it perfect for any garden. Children can open and close the windows at Lakeside and enter through a sturdy half door. The Lakeside playhouse is made from organic residual material that looks like real wood, and features FSC 100% wood details.

Dimensions Lakeside playhouse

- Outside dimensions (LxWxH): 135 x 111 x 133 cm
- Inside dimensions (LxWxH): 97 x 89 x 128 cm
- Door dimensions (WxH): 44 x 61 cm

Easy assembly

AXI playhouses are constructed from prefabricated panels, including any windows and door(s). The parts are usually pre-drilled so that the house can be assembled in no time.

SUSTAINABLE ECO- OUTDOOR TOYS

The playhouse Lakeside from the ecological outdoor toy series Valley Green is produced from biological waste. The material called UPB (Universal Performance Board) consists of about 60% rice husk, about 22% rock salt and about 18% mineral oil. It is a perfect alternative to wood, because it has the look and feel of wood.

The natural material possesses unique properties and is 100% recyclable, weatherproof, it does not rot, split or splinter and is also easy to maintain. In addition, the sheet material does not become slippery in damp conditions and is therefore non-slip. In summary, the Valley Green toys are not only super fun to play with, but also very safe for children.

PRODUCT DETAILS VALLEY GREEN

- Sustainable ecological UPB sheet material.
- Free of BPA, PVC and plasticizers.
- 100% recyclable.
- Fire Retardant.
- UV weather resistant.
- Water resistant.
- No deformation by moisture.
- Made from renewable resources.
- Natural product.
- Non-slip even in humid conditions.
- Resistant to chlorine and seawater.
- Not affected by rot.
- Impervious to fungi.
- Does not split or splinter.
- Easy maintenance.
- Hardly discolours at all.

Recommended use

warning sign to alert drivers
they are entering an area
where kids are playing

82€

Features

- Optimal visibility due to its florescent colour and red warning flag
- Ideal to place near schools, daycare centres, playing area's, neighbourhoods and other zones where children play
- Durable poly construction lasts for years
- Convenient carry handle and lightweight design
- Broad base can hold sand to help prevent tipping

186300 children die each year from road traffic crashes around the world - that's more than 500 children every day. In fact road traffic injury ranks among the top 4 causes of death for all children over the age of 5 years.

Harmony Toy Storage Box

Article number 432999
Dimensions 78.7 x 53.7 x 96.5 cm
Material wood, roto-moulded plastic

Evolves as Your Child's Needs Change with Age

Built to store toys, books, balls, games & much more

Elevate your child's playroom or bedroom with the **Harmony Toy Storage Box™**, built with a mix of wood and plastic construction for lasting style and superior functionality

Features

- **Mixed Materials** - Wood and plastic construction work together in perfect harmony to create style and function
- **Shelves for Books** - The middle shelf is just the right size to hold books while the top shelf displays smaller toys
- **Toy Storage Box** - Large bottom area is spacious enough to hold stuffed animals, play balls, and more
- **Rounded Corners** - Features rounded side corners for kid safety and a sturdy, wide base for stability
- **Removable Lid** - Includes a toy box lid that doubles as a moveable art board with a clip & chalkboard surface
- **Enduring Design** - A space-saving solution that's built to last, evolving as your child's needs change with age
- **Interior Capacity** - This toy storage bin features 4.2 cubic feet (0.11 cubic meters) of storage area
- **Easy Assembly** - In just a few steps, your toy box will be set up and ready to organize your space!

NEW

My First Christmas Tree

Article number 879800
 Dimensions 53.3 x 53.3 x 78.7
 Material cm roto-moulded plastic

A Christmas tree of their very own!

Features

- This tree lets little ones participate in holiday traditions without any apprehension
- Durable construction lets kids “decorate” their very own tree without the worry of breaking fragile ornaments or hurting themselves on branches
- Put-and-take play encourages kids to place the ornaments on the tree and helps develop fine motor skills
- Just the right size, little ones can put the star on the top of the tree all by themselves
- Included train set lets kids connect the track system and run the train around the tree for enhanced play
- Set up is quick and easy
- Includes 8 ornaments and 3-piece train set

NEW

My First Snowman

Article number 432999
 Dimensions 78.7 x 53.7 x 96.5
 Material cm roto-moulded plastic

Activate your child's imagination and get ready for some frozen fun with My First Snowman.

Features

- Switch and change 15 accessory pieces for wacky, mix-and-match fun
- Facial features, body parts, and accessories can be placed over and over again without ever having to worry about them being too fragile for little hands
- The pieces all store inside the Snowman body, so cleanup is quick and easy
- An electronic hat plays the season's best songs & lights up to encourage active minds
- Ideal for developing imaginations and fine motor skills
- Requires 3-AAA batteries (not included)

Naturally Playfull Splashway Canal

NEW

Naturally Playfull Splashway canal

Article number 440000
 Dimensions 76.2 x 61 x 45.7 cm
 Material roto-moulded plastic

Get ready to make a big splash with this large 360-degree water table!

Features

- Sits on the ground for easy access and is big enough for multiple children to play together
- The upper water tray releases a steady stream down the slide for an exhilarating boat ride
- Kids can race the boats around the track, across the drawbridge, and splash into the water
- Water pouring down from the lower tray hits the drawbridge and sounds like real rainfall
- Features a natural, wood-grain textured base and molded-in details on the basin floor
- Water play fosters the growth of fine & gross motor skills,

imagination,
 and creativity

- A 5-piece accessory set includes 2 boats with wheels, bucket, strainer, and dump cup
